Commitment AT EVERY STAGE

As consumer expectations continue to evolve, there is a growing demand for transparency regarding the ethical and sustainable practices of the brands they engage with. At Ingham's, we place a **strong emphasis on sustainability and animal welfare**. We align our business with organisations whose key focus is on animal welfare.

Ingham's is proud to be **certified by RSPCA Approved**.

The RSPCA Approved Standard for Meat Chickens focuses on providing a quality and enriched environment for birds, including lower stocking densities, litter management, air ventilation and access to perches.

This commitment ensures that our standards adhere to best practices, providing you with the confidence that you're **offering your customers a product they can trust**.

Passion AT EVERY STAGE

With over **100 years of experience** across Australia and New Zealand, Ingham's has always been passionate about providing our partners with **the highest quality poultry products**. With control over every stage of our supply chain and production, we can ensure that we serve our industry with quality products that **uphold our values for sustainable and ethical practices**.

Ingham's share a passion for our industry with our partners, and strive to achieve the same goal to **deliver perfect taste every time**. With a wide range of premium and convenience products, we're able to provide our industry with poultry solutions to match all needs. From schools to restaurants & cafes, **Ingham's is committed to supporting our foodservice partners**.
