

PROPERTY ADVISORS & BUYERS ADVOCATE

Invest with clarity.
Build with confidence

About Us:

Inspire Realty are nationally recognised property advisors and buyer's advocates helping you build profitable and purpose-driven property portfolios through strategic property investment. Our team provides expert research, due diligence and negotiation to help you make right, confident and informed property decisions.

We take care of the search, research and assist with the selection of the RIGHT properties at the RIGHT price.

"In 2 years, Colin and his team has helped me source my second investment property and he is a class act. He wasn't only my Buyer's Agent, but he was my coach, my property investment mentor, and one of my #1 supporters. I value his wisdom, experience, and positive attitude." - Andy

The difference between feeling stuck and becoming successful in property is clarity, strategy and often times, trusted guidance of a team of experts.

Think and act like a professional with our seasoned team backing you each step of the way.

Our founder Colin Lee is a multi award-winning property advisor and buyers advocate. His passion and purpose is to inspire and empower his clients to take charge of their financial future to achieve financial wellbeing and create wealth through smart and strategic property investments.

He is an active property investor himself, and combines his personal experience with his extensive career in education, property, and finance to get the best outcomes and achieve strategic stewardship for his clients.

Through our industry contacts, we are often able to secure pre and off-market opportunities and get the best deals for you. We are confident that our fee is easily covered by the savings we achieve for you.
